CONFIRMATION of WORSHIP for IN-YEAR ADMISSION (2026-2027)

It is the responsibility of parents to ask their priest/minister to send this form directly to the school in confidence at the time of application.

The parent/carer is responsible for ensuring that the priest/minister returns the form to the school at the time of application.

We have received an application for the following child to be admitted to Christ Church School, Chorleywood. Our oversubscription criteria include the following two criteria and accompanying notes::

Criterion 4

Children whose parent/carer at the date of application to the school worships at Christ Church Chorleywood at least twice a month and who has done so for at least one year up to that date

The notes to this criterion state that:

- Parent/carer means any person or persons with parental responsibility for the child
- Worship means regular attendance at an act of public worship at Christ Church Chorleywood by at least one of the child's parents/carers and must have taken place at least twice a month over a period of one year immediately prior to the date of application.
- If during the period specified for attendance at worship in the church it has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admission arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Criterion 5

Children whose parent/carer at the date of application to the school worships at a Christian church (other than Christ Church Chorleywood) at least twice a month and has done so for at least one year up to that date and whose permanent home address is in the area edged in red on the map attached to this policy and published on the school website.

The notes to this criterion state that:

- Parent/carer means any person or persons with parental responsibility for the child
- Worship means regular attendance at an act of public worship at the relevant church by at least one of the child's parents/carers and must have taken place at least twice a month over a period of one year immediately prior to the date of application.
- If during the period specified for attendance at worship in the church it has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admission arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

The parent named below has asked that we consider their application under one of these criteria on the basis of the parent's/carer's attendance at your church.

We would therefore appreciate your assistance as priest or minister of the church in confirming their statements through completion of the following form. Thank you.
