Forms can be downloaded from the school's website. Forms will be accepted up to 5 working days after the closing date.

* NB The school will seek confirmation of permanent address (see the full policy for rules on home address).

NB 'Worship' means regular attendance at services at the relevant church **at least twice-a-month over one year (see the full policy for rules on church attendance).

The period of particular interest to us is **at least one year up to the date of application**, when churches were open for public worship only.

Our admissions criteria require that the governors establish whether a parent/carers worships at Christ Church or other Christian church (see the full policy for rules on worship).

The school is normally over-subscribed, and the criteria are strictly and objectively applied.
