PE & School Sport Premium Plan 2018-2019

PE and Sport Premium for Primary Schools

The DfE are doubling their spending on improving Physical Education (PE) and Sport in primary schools. This extra funding is sent directly to primary schools. Schools can choose how they use the funding. The funding will be used in a variety of ways to improve and develop teaching and learning of PE across the whole school. We will encourage children to lead healthy lifestyles, enjoy PE and Sport and experience high quality teaching. They will be encouraged to take part in competition and aim for sporting excellence. We hope for the funding to have a lasting impact on provision of PE and sport within our school.
