### **Request for Class Contributions**

Dear Parents and Carers,

Every year, we plan to enrich the learning in our school with various projects for which would like your financial support. These materials are in addition to the usual school resources that each class uses throughout the year. With your additional support through these class contributions, we can provide your children with educational experiences over and above the norm.

The contributions help to fund special projects and resources across the school including:

- Art projects
- Celebration day craft
- Subsidising workshops
- Nativity production (YN & YR)
- Christmas Play (Y1 & Y2)
- Play dough ingredients
- Cooking ingredients
- Gardening experiences
- Forest School activities
- Clay work
- Sewing materials
- Design & Technology projects
- Additional resources for science investigations
- Personal headphones for computing
- Christmas activities
- Writing pencils, colouring pencils, rulers, whiteboard pens, felt tips, rubbers and sharpeners for your child in the class (in Nursery to Year 4)
- A contribution towards end of year show expenses (Y6)
- End of term activities

To enable us to facilitate these activities we would be grateful for a voluntary contribution of £10.00 per term, £30.00 for the year to support the enrichment of each child. This request does not include donations to national charities; neither does it provide support for fund-raising events such as PSA donations of sweets, cakes or bottles for the Christmas or Summer Fairs. Schools trips also require separate contributions.

Payment is through ParentMail Pay, you have received an email prompting you to make payment.

Thank you so very much for your support and in anticipation of your kind cooperation - these extra funds make such a difference!

Thank you.
