Teaching Staffing Structure September 2025

Dear Parents & Carers,

Today we held our 'Moving Up' morning which is a time filled with anticipation and excitement as the children discover who their new teachers and support staff will be for the upcoming academic year.

Despite increasing financial pressures on schools, we remain committed to investing heavily in our support staff team and ensuring every child has the best opportunities to reach their full potential. As I mentioned in last week's letter, the recruitment and strategic deployment of staff has been a major focus. The Senior Leadership Team approaches this process with great care and consideration.

New Starters

We are delighted to welcome some new faces to the Christ Church School community. Miss O'Brien will be joining us as the Year One class teacher, and we are thrilled to welcome back Mrs Bateman, who is returning after a two-year absence. In addition, Mrs Johnston and Miss Ratcliffe will be joining the team as Learning Support Assistants. We're very excited to have them on board and are confident you will help them feel part of our school family.

Staff Changes

A number of our teaching and support staff will be moving to different year groups in September. These changes reflect our strong commitment to professional development and team growth. We believe the adjustments made will further strengthen our staff and help us continue to provide the highest quality of education and care.

As always, we look to the future with optimism, building on the strong foundations we have laid. Our mission statement, "*What we nurture today, flourishes tomorrow,*" remains central to everything we do.

Yours sincerely,

Sarah Selleck
