

CHRIST CHURCH CHORLEYWOOD
"What we nurture today, flourishes tomorrow"

Autumn Term 2025 Newsletter 3

"The earth has yielded its harvest; God, our God, blesses us." Psalm 67:6

Dear Parents and Carers,

Autumn is well underway, and we have enjoyed some lovely weather recently. With the days now cooler, please make sure your child brings a coat to school each day.

Harvest Celebrations

We are very grateful to our school choir for their wonderful singing at the Harvest Daytime Service at Christ Church. It was much appreciated by the elderly members of the congregation. We look forward to the singing at the Christmas Daytime Service in December.

A big thank you also to Year 4, who led our school Harvest Service this week with such thoughtful words and reflections. They spoke confidently and with clarity and had prepared very well to lead this service.

At this time of year, we remember those in need in our wider community. If you are able, please consider supporting your local foodbank with a donation.

Thank you and enjoy the weekend.

Yours sincerely,
Mrs Selleck
Headteacher
