

# Adventure Awaits: Join the Three Peaks Challenge!

Are you ready for an adventure that makes a difference? Our school is thrilled to invite you to participate in the Three Peaks Challenge, a fundraising event designed to support the Christ Church School Outdoor Area Project. This is your chance to join the team and experience the beauty of the UK's highest peaks while contributing to a meaningful cause.

## **What is the Three Peaks Challenge?**

This exhilarating challenge involves hiking the three highest peaks in the UK — Ben Nevis, Scafell Pike, and Snowdon — all within 24 hours. It's an ultimate test of endurance, teamwork, and determination, but most importantly, it's a journey that supports our school's mission to enhance outdoor learning and play spaces.

## **Why Should You Participate?**

Every step you take will help raise funds that go directly to improving our school's outdoor areas. These enhancements will create a more engaging and inspiring environment for all our students, promoting learning and play in the great outdoors.

## **Who Can Join?**

We already have a number of school staff signed up already, and the event is now open to the whole Christ Church School Community. Whether you're an experienced hiker or a motivated beginner, there's a place for you. Join us on the hike or support the team through fundraising efforts.

## **How to Get Involved:**

- **Sign up** to be part of the challenge (see below)
- **Sponsor** a participant or make a donation

## **Ready to Climb for a Cause?**

Register your interest by 4th November by contacting the school office. Once registered, participants will receive more details about training, logistics and fundraising. **Join us on 10th-12th April 2026** as we climb for a cause and create lasting memories while making a significant impact on our school community. Let's embark on this adventure together!
